...pronto no vas a tener ningún diente que lavar.

Mamá, ponte los dientes.

¿Por qué?
No me da vergüenza.

Cariño, ponte los dientes.

¿Parezco un monstruo?
Quiero que ella conserve sus dientes.

No eres un monstruo, cariño.

Ni yo.

La pobre
niña tenía mucho
miedo.

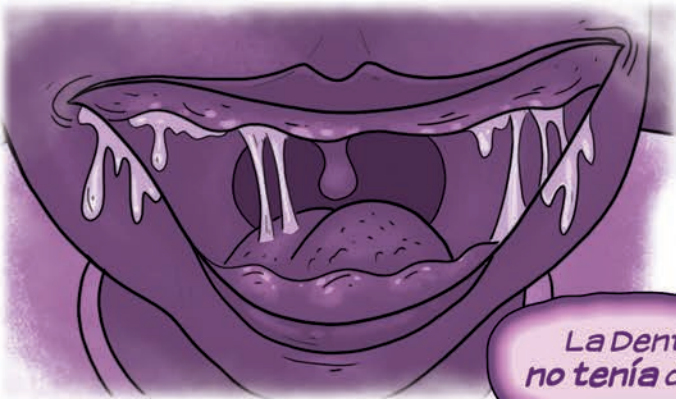

¡Muchísimo
miedo!

Luego, de repente,
La Dentista se quitó
su mascarilla.

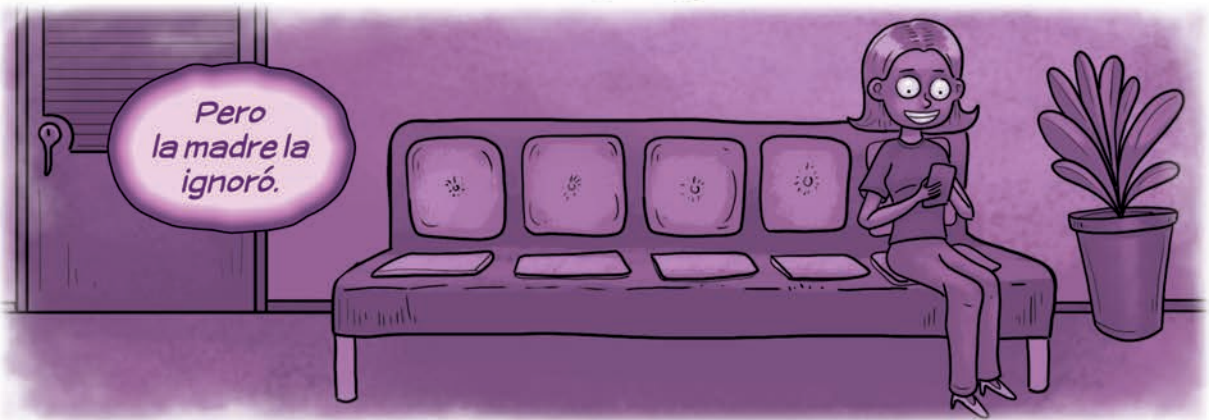

Y no tenía
dientes.

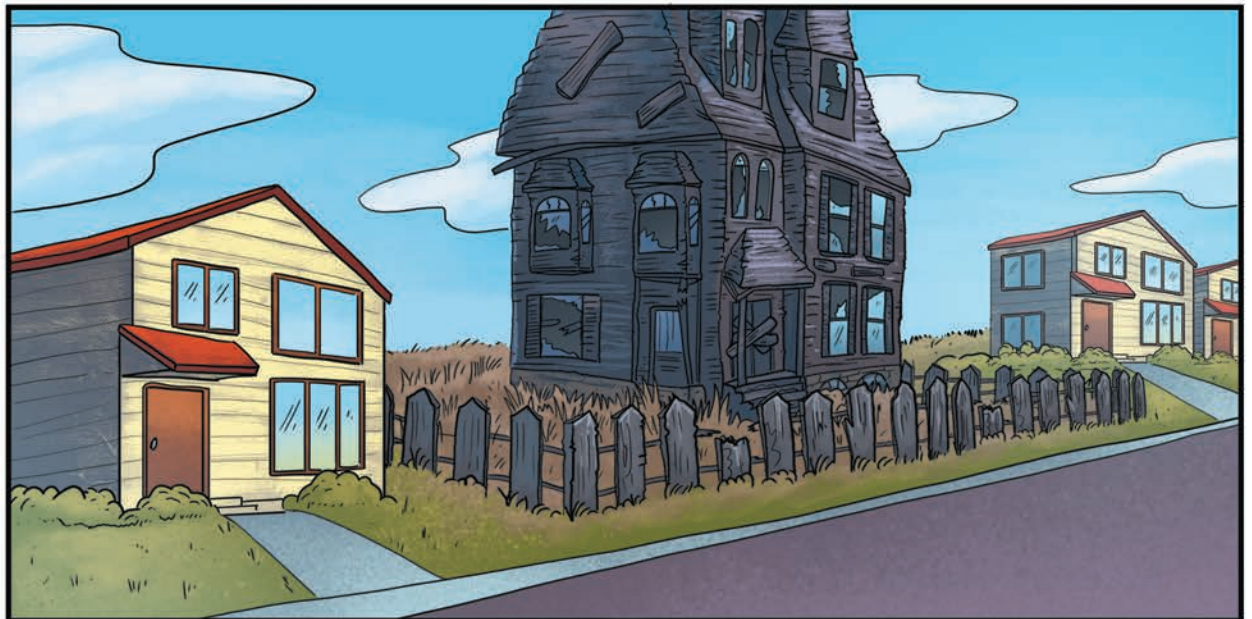

La Dentista
no tenía dientes.

¡Ay!
¡Mamá!

Pero
la madre la
ignoró.

Bienvenidos a EDDL

...No, no puedo.

Mis padres van a salir mañana.

Tengo que quedarme en casa.

Entonces, ¿puedo ir a tu casa?

¿Mi casa?

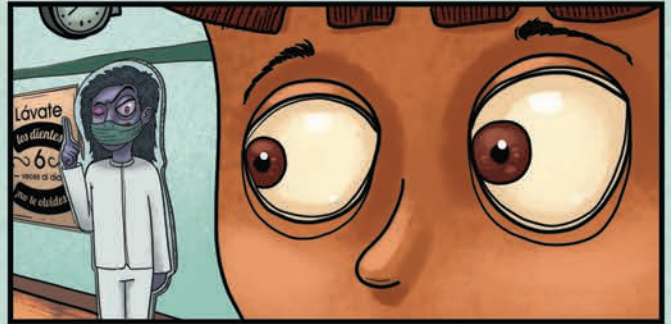

Bueno, les preguntaré a mis padres.

¡AY!

¿Te lavaste los dientes?

**Señor

The Legend of The Dentist is a lie. At least, that's what most kids in Carolina's town seem to believe.

They think it's merely a fable designed to scare them into brushing their teeth. But Carolina can't shake the idea that there's something insidious bubbling under the surface.

Maybe the answer lies in the abandoned house across the street. Or maybe, the house just looks abandoned.

Students are powerless to resist the allure of the imaginative and demented mind of Señor Wooly. Whether or not readers are familiar with his original cult music video, *La Dentista*, they will be hooked by this suspenseful graphic novel that will keep them guessing until the very last page.

Reading is the single greatest predictor of success in 2nd language acquisition. And with *La Casa de La Dentista*, the only struggle you'll have is convincing students to put the book down when the bell rings.
